Builders' Contract Works • Public Liability • Material Damage

TAKE THE HEAVY LIFTING OUT OF BUILDERS' CONTRACT WORKS

We've made it our business to jump through the hoops so you don't have to. Builders' Contract Works Insurance is our speciality.

Sure, it's complicated...add up your annual builds and all the outgoings, estimate alterations and additions, submit to your insurer, line up a policy for material loss or damage during construction, then sort out a refund or payment after the policy expires... Like we said, it's complicated but that's where we can help.

The bottom line is this – if your claims history is good, we can pass on to you the 20% discount we've negotiated with our insurers on their usual premium. What's more, if you then decide to combine your Public Liability and Material Damage insurances you'll be eligible for even further savings.

And there's more...you won't have to take out an expensive finance option to cover the cost of the annual premium.

We've come up with a simple solution that allows you to...

PAY BY THE MONTH and AT NO EXTRA COST – Easy!

CHECK OUT OUR FOUNDATIONS:

*Save Big Pay Less

We have been able to negotiate keener premiums which include a 20% standard discount (subject to your claims history) and on top of that, when Material Damage and Public Liability Insurances are combined, you may be eligible to receive a further substantial discount.

*More Service

Let's face it, this is your livelihood we're talking about. At Tradesure, we offer a full consultative service. You'll talk to an experienced adviser who specialises in Builders' Contract Works. You don't want to be paying for stuff you don't need or missing out on the things you do.

*Pay by the Month

Some insurers demand you pay your premium upfront in one annual payment. The kind of expense that can translate to a hefty blow to your cashflow. At Tradesure, we make it easy and affordable, we offer MONTHLY PAYMENTS and AT NO EXTRA COST on your annual premium.
